purpose

The specific purpose of Wisconsin Lutheran Seminary is to offer theological training for men who desire to enter the public ministry of the Wisconsin Evangelical Lutheran Synod or of churches within its confessional fellowship. It is not established or maintained to serve merely or in part as a school of religion furnishing opportunity to anyone for specialized study in various fields of theology.

The Seminary carries out this purpose by training all of its students to preach and teach the pure Gospel of Jesus Christ and to carry out the pastoral ministrations of the public ministry in accordance with the Holy Scriptures as the verbally inspired and inerrant Word of God and in conscious agreement with the historical Confessions of the Lutheran Church. All of the theoretical and practical courses of the Seminary, as well as its vicarship program, are arranged to serve this purpose.

In line with this single purpose of training men for the public ministry the Seminary also endeavors in various ways to offer opportunity for theological and professional growth to those who already are active in the public ministry of its confessional fellowship.

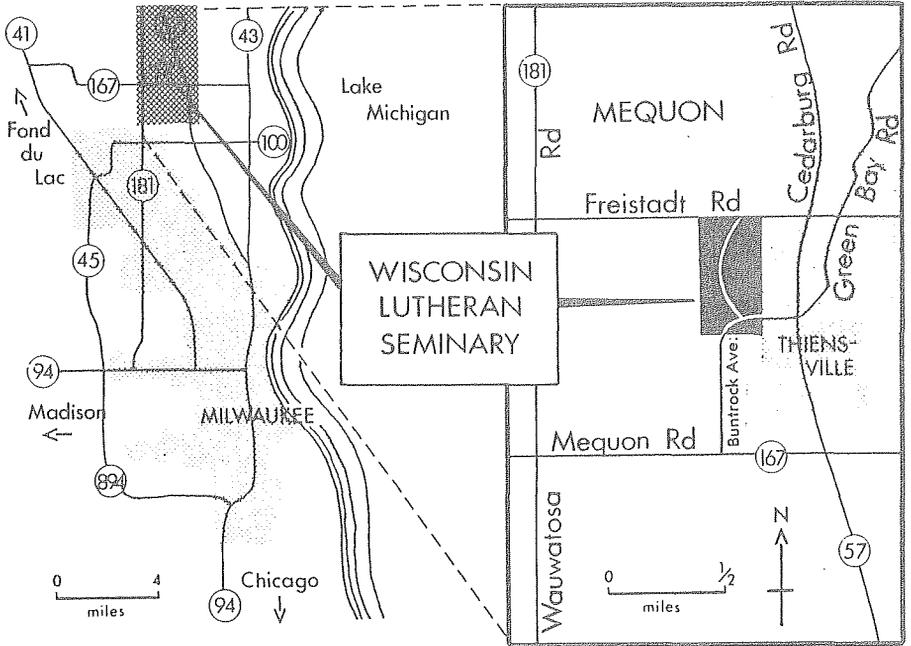

OBJECTIVES

Reverent, thorough, and scholarly study of the Holy Scriptures and a clear apprehension and faithful application of its contents, especially of its basic messages of Law and Gospel, are considered fundamental in realizing the Seminary's practical purpose of training and equipping men for the practical tasks of the public ministry. In every phase of its training program the Seminary strives, with the help of the Spirit, to remain faithful to the Holy Scriptures, to give evidence of thorough scholarship, and to effect professional proficiency.

GENERAL INFORMATION

Location

History

The Theological Seminary of the Wisconsin Synod was formally opened in the fall of 1863 at Watertown, Wisconsin. Instruction in theology was initially given by Professor Eduard Moldehnke, Ph.D., in the school building of St. Mark's congregation. On September 14, 1865, the Synod's college, first known as "Wisconsin University" and then as "Northwestern University," opened its doors, and for five years the Seminary was operated in conjunction with it.

In 1870 the students of the theological department were transferred to Concordia Theological Seminary at St. Louis, Missouri, in accordance with an arrangement made with the Missouri Synod to conduct a seminary jointly.

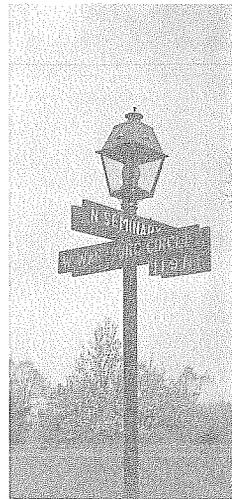

Eight years later the Wisconsin Synod reopened its own Seminary, this time in Milwaukee, where it remained from 1878 till 1893, though not always in the same quarters. It was housed first in private residences and later in a remodeled building in Eimmermann's Park, near 13th and Vine Streets.

An important milestone in the Synod's history was reached in 1892 when a federation of the synods of Wisconsin, Minnesota, and Michigan was effected. Because of increased enrollment a new and larger Seminary building was erected at 60th and Lloyd Streets in Wauwatosa and was dedicated in 1893.

In 1929 the Seminary's present building complex was erected on an 80-acre site in the present city of Mequon, just outside the west limits of the village of Thiensville, about 15 miles north of downtown Milwaukee.

Campus Sign

The central Seminary building complex resembles the architectural pattern of the Wartburg, where Luther translated the New Testament into German. The impressive Seminary tower divides the building into two areas: the residence hall and the refectory lie to the west; the administration-classroom building, the chapel, and the library to the east. The residence hall, consisting of nine units, can accommodate 126 students. The refectory contains the kitchen facilities and a dining hall seating 250.

The administration-classroom wing contains the offices of the President, the Vice-president and the Dean, the business office and five classrooms. Attached to this wing of the building are the chapel and the library. Remodeling the old gymnasium will provide three additional classrooms as well as space for the synodical archives.

In 1986 a new auditorium-gymnasium was constructed, with seating capacity of 1600. This beautiful new building, made possible through the Synod's Reaching Out offering, provides a much-needed worship facility for graduation services, concerts and special services. It provides facilities for the students to carry out their programs of interscholastic and intramural sports, as well as a racquetball court and weight room to assist programs of individual physical fitness. Two outdoor tennis courts and two ball diamonds offer additional recreational facilities.

Library

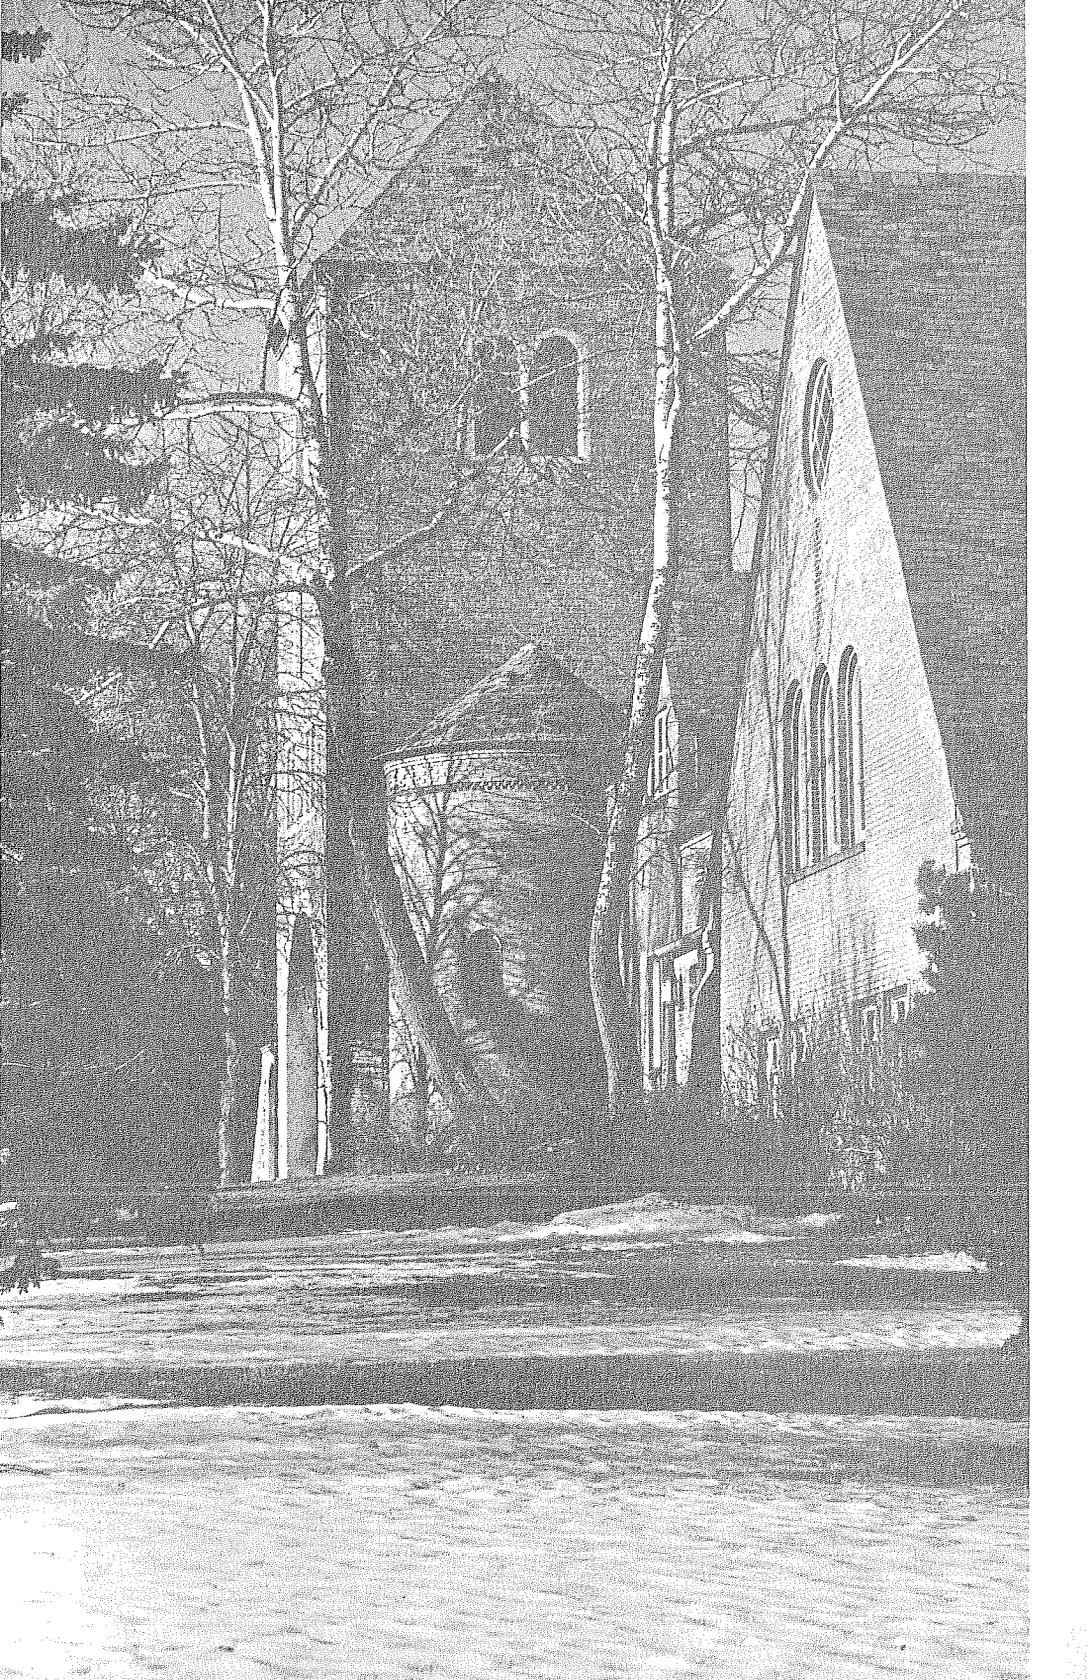

Numbering over 35,000 volumes at present, the library's collection of books and periodicals has grown slowly but steadily, with the aid of a modest annual synodical subsidy and a number of generous gifts and bequests.

For nearly four decades the library occupied the upper floor of the classroom building. When it became evident that larger quarters were needed, a new library building was built in 1968 with funds from the Synod's Missio Dei offering. Initially built to accommodate a book collection of up to 75,000 volumes, the building was designed to facilitate further expansion when the need arises.

The building also contains office and workroom space, faculty room, married students lounge, student lounge, two listening rooms, private study rooms, several provisional classrooms, and a multi-purpose assembly room.

The library provides bibliographic and loan services not only to students and faculty, but also to pastors, teachers and lay people throughout the Synod.

admissions

Entrance Requirements

In accordance with the words of the Apostle Paul in I Timothy 3 and Titus 1, the fundamental requirement for admission to the Seminary is an unimpeachable Christian character. Academically the applicant should have completed a four-year college course, such as that offered by the Synod at its Northwestern College in Watertown, Wisconsin, which places a heavy emphasis on history and modern and classical languages. A good working knowledge of Greek and Hebrew is a prerequisite for work in the courses in Biblical Interpretation at our Seminary.

Applications

Students desiring admission to the Seminary should submit their applications directly to the President of the Seminary well in advance of the opening date of the school year for which they hope to enroll. The student applying as a graduate of Northwestern College is to submit his application with the endorsing signature of the President of Northwestern College, together with a transcript of his college credits. Along with his application every other student must submit a letter of recommendation from his pastor together with a transcript of his credits, indicating that he has complied with the entrance requirements described above. All special applications require a recommendation from the Committee on Special Admissions and will be acted upon by both the faculty and the Board of Control.

Program for Special Admissions

Since 1962 our Synod has had an arrangement with the Evangelical Lutheran Synod whereby the Bethany Program of Special Pre-Seminary Ministerial Training has been set up at Bethany Lutheran College at Mankato, Minnesota. Designed for men over 21 years of age, either single or married, the Bethany Program enables students who have not followed our Synod's regular program of pre-seminary training to acquire the necessary academic prerequisites (a four-year college program or its equivalent) for enrollment at Wisconsin Lutheran Seminary.

*South
Entrance*

Before a special student may enroll in the Bethany Program he must receive a recommendation from our Seminary's Committee

on Special Admissions, of which Professor Richard Balge is the secretary. Information concerning this program, along with the necessary application forms, may be obtained by writing directly to Professor Balge. Completed application forms should be returned to Professor Balge rather than to Bethany Lutheran College, since that school is not able to enroll a student in this special program until he has first been recommended by our Seminary's Committee on Special Admissions.

Registration

Registration at the Seminary consists only in the regulation that by Friday of the first week in the fall quarter all enrolled students in attendance are expected to register with the Business Manager to establish the school fees to be charged to their accounts.

finances

Student Costs

The following student costs have been set for the current school year. Tuition, board and room charges may be revised by the Synod's Board of Trustees at any time as changing economic conditions may demand. Total costs may be paid in full during registration week, or the student may elect the installment program. The installment program consists of six payments with the first one due during registration week.

All Students	Annual
Incidental Fee	\$ 15.00 (payable at registration)
Tuition	\$1,450.00 (first payment \$250.00 plus five \$240.00 installments)
Dormitory Students	
Board	\$1,090.00 (first payment \$190.00 plus five \$180.00 installments)
Room	\$ 590.00 (first payment \$115.00 plus five \$95.00 installments)
Other Charges	
Noon Meals (Mon.-Fri.)	
off-campus students	\$ 495.00 (six \$82.50 installments)
Parking Fee	\$ 15.00 (payable at registration)
Refrigerator Fee	\$ 25.00 (payable at registration)

All unmarried students are expected to live in the dormitory unless their homes are in the immediate vicinity. Each dormitory resident is provided with a desk, chair, shelves for books, closet space, bed and mattress for use during his stay. Noon meals are offered to off-campus students as indicated in the schedule above. While facilities permit, married students are also permitted to join the student body at the noon meal in the dining room with their own lunch.

The parking fee applies to those requiring automobile parking space at any time on the Seminary campus.

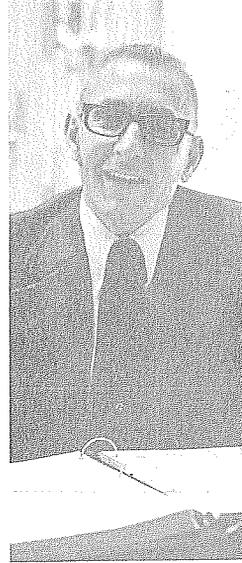

While at the Seminary, students will want to begin acquiring a personal library of the basic theological books needed by a pastor in the parish ministry. The book expenses of the individual student will vary, but a minimum cost of \$400 per year may be expected. Books may be purchased through the Seminary Book Store.

Vicar Finances

Since students cannot engage in outside gainful employment during their vicarship year, all vicars, married or unmarried, receive from the Seminary a monthly grant-in-aid from September through August. The amount, set by the Conference of Presidents, is at present \$700 per month. The student is responsible for the cost of his board and housing. In addition the student receives a grant equivalent to the cost of medical insurance coverage for a single person according to the Synod plan. The congregation reimburses him for the use of his car on vicar assignments and for the cost of one round trip between his home and the place of vicarship.

Scholarships

The Seminary has funds available for scholarships and grants-in-aid from various sources. The Aid Association for Lutherans, Appleton, Wisconsin, and the Lutheran Brotherhood, Minneapolis, Minnesota, each provide an annual grant. A major source of income is from estates, among which are the Berdan Estate and the Schmidt Estate. The income from a number of trust funds also provides an important source of scholarships. Among these are the Beyer Memorial (shared with Northwestern College), Brooks Memorial, Clark Memorial, Jung Memorial, Kropp Memorial, Proehl Memorial, Quamme Memorial and Stickford Memorial. Other gifts, bequests and memorials from individuals and congregations are received each year for scholarship distribution.

*Mr.
David
Martin,
Business
Manager*

The faculty and the Board of Control award scholarships and grants-in-aid in October and February of the school year. In making the awards the faculty invites student applications and welcomes well-founded recommendations while reserving the right to add to the list of recipients. Need and academic achievement, as well as campus citizenship and professional promise, are taken into consideration. During the 1985-86 school year 136 students received grants totaling \$100,485. In addition to this, students are eligible to apply for grants from the Salem Lutheran Foundation. Wisconsin residents can also through their congregations request grants from the Siebert Lutheran Foundation. These grants are awarded directly from the foundation to the student.

policies

Academic Record

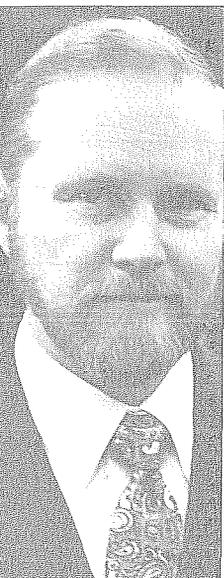

The Seminary's policy in the matter of grading is based on the conviction that a considerable variety and range of gifts find a place in the public ministry of the church, that almost without exception all of its enrolled students are already known to possess a required measure of such gifts, and that the stress in seminary training should therefore be placed on each individual student's faithful use of his particular gifts and talents. While the students therefore receive grades in examinations and on their written assignments to aid them in gauging their faithfulness, the Seminary refrains from issuing report cards to students. The individual student's academic grades for the various courses are, however, recorded in the Seminary records to make a transcript of his academic credits available at any time for future graduate work.

The school year is divided into three quarters of about 55 days each. The student's academic record is kept on the basis of this three-quarter system.

Grades and Rating

The grades entered in the school records are A, B, C, D, F, or Incomplete. These ratings are to be understood as follows:

- A** ("Excellent": 93-100) denotes outstanding achievement and superior application (7-9 grade points per hour).
- B** ("Good": 85-92) denotes a high degree of competence and considerable initiative (4-6 grade points per hour).
- C** ("Satisfactory": 77-84) means that acceptable work has been done (1-3 grade points per hour).

*Professor
Armin
Panning,
President*

- D** (“Passing”: 70-76) indicates that, although the work has not been of Seminary quality, the course will not need to be repeated (Credit, but no grade points).
- F** (“Unsatisfactory”: below 70) denotes failure, and in some way credit must be earned for the course.
- Inc.** (“Incomplete”) is a temporary grade. This grade is given in cases where a student who has done otherwise acceptable work has for cogent reasons failed to complete some aspect of the course.

Additional Study

It is the policy of the Seminary that students do not enroll in courses at other institutions during the regular school year.

It is the policy of the Seminary at the discretion of the faculty to grant a leave of absence, preferably after the vicar year, to a student who wishes to pursue an approved course of study elsewhere for one year.

Transcripts

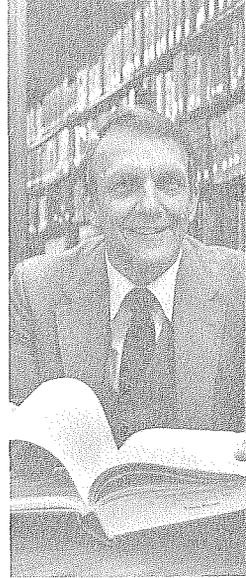

A transcript of credits will be issued to former students upon application to the Registrar. There will be no charge for a student’s first transcript, but a fee of two dollars is specified for each subsequent transcript.

Requests for transcripts of credit should be made at least three weeks in advance of the date when they are needed and must in every case include the name and address of the institution or agency that is interested in evaluating the credit given. The transcript will be sent directly to this address; the applicant receives a copy for his own records.

Graduation and Assignment of Calls

Upon completion of the prescribed course of study, students of the Seminary are graduated as Candidates for the Holy Ministry, ready for appointment to church work within the fellowship of the Wisconsin Evangelical Lutheran Synod.

It is the policy of the Seminary that its students, upon completion of their course of training, receive their call into the public ministry of our confessional fellowship through the synodical Assignment Committee. Assignments are made only to students who are recommended by the Seminary faculty as Candidates for the Holy Ministry.

*Professor
Martin
Westerhaus*

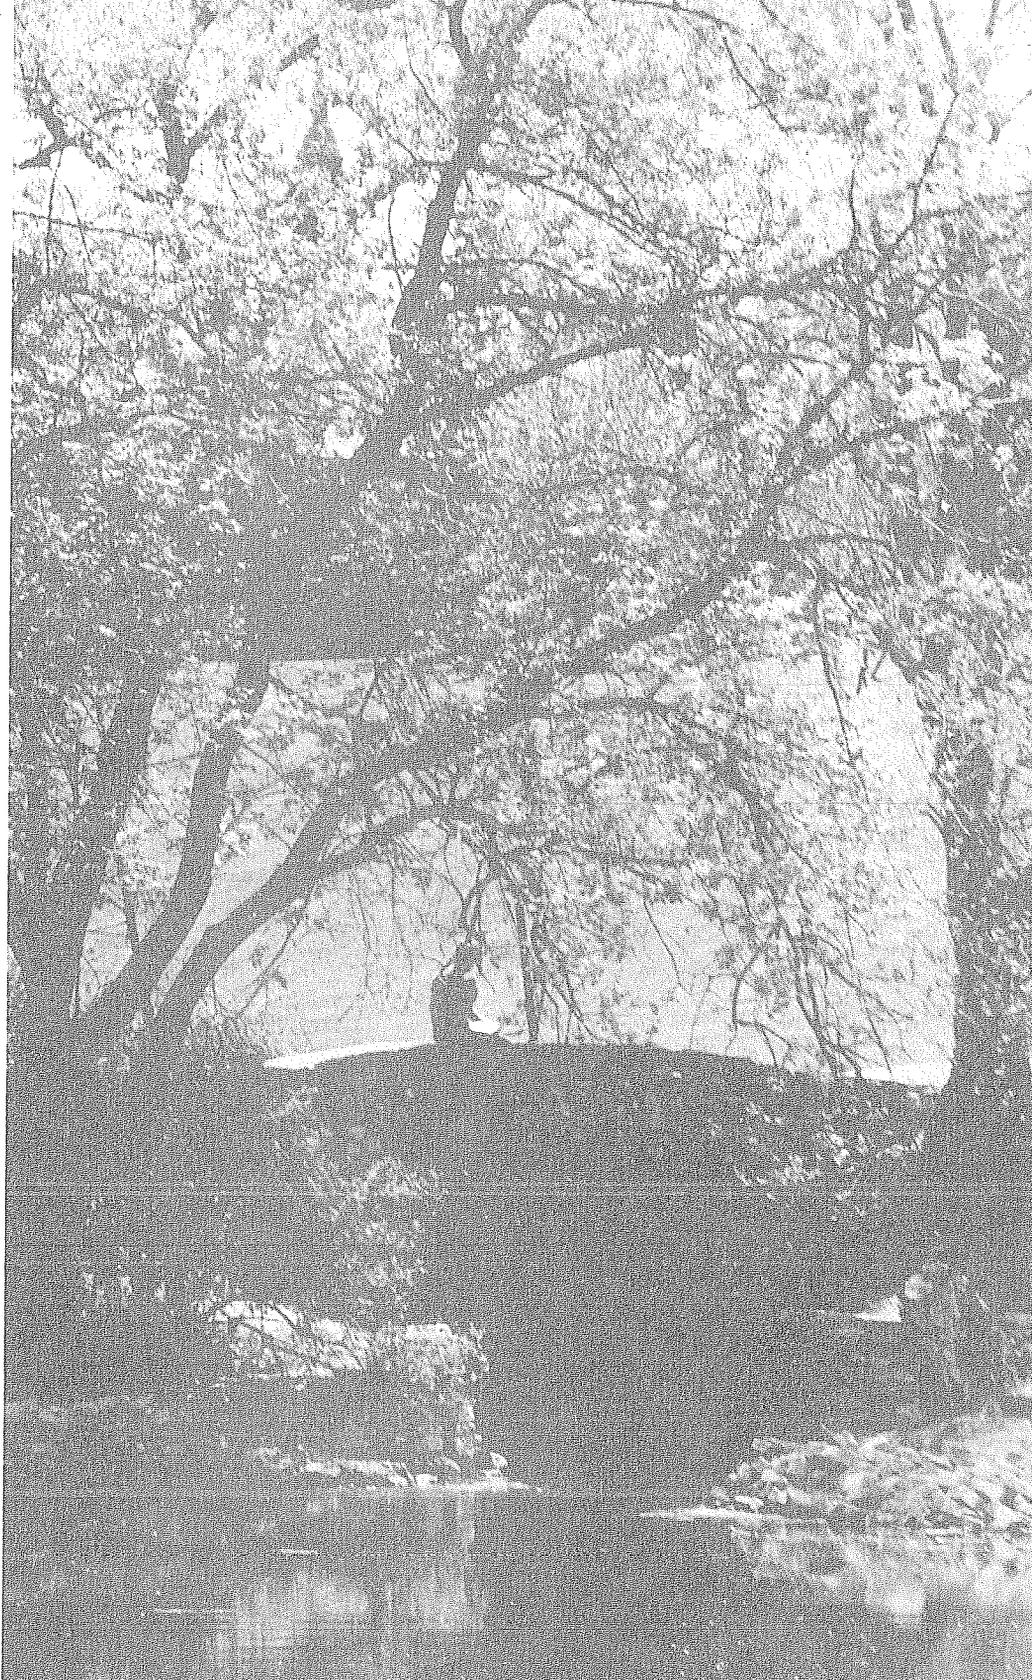

The Board of Control and the faculty of the Seminary will issue the Master of Divinity (M. Div.) degree to all graduates who have satisfactorily completed the prescribed course of study and have accumulated grade points equivalent to at least a C average.

Graduation, as well as the Master of Divinity degree, is extended only to students who upon completion of the required Seminary work find themselves in confessional agreement with the Seminary and who present themselves for assignment to the public ministry of its confessional fellowship.

Student Marriage

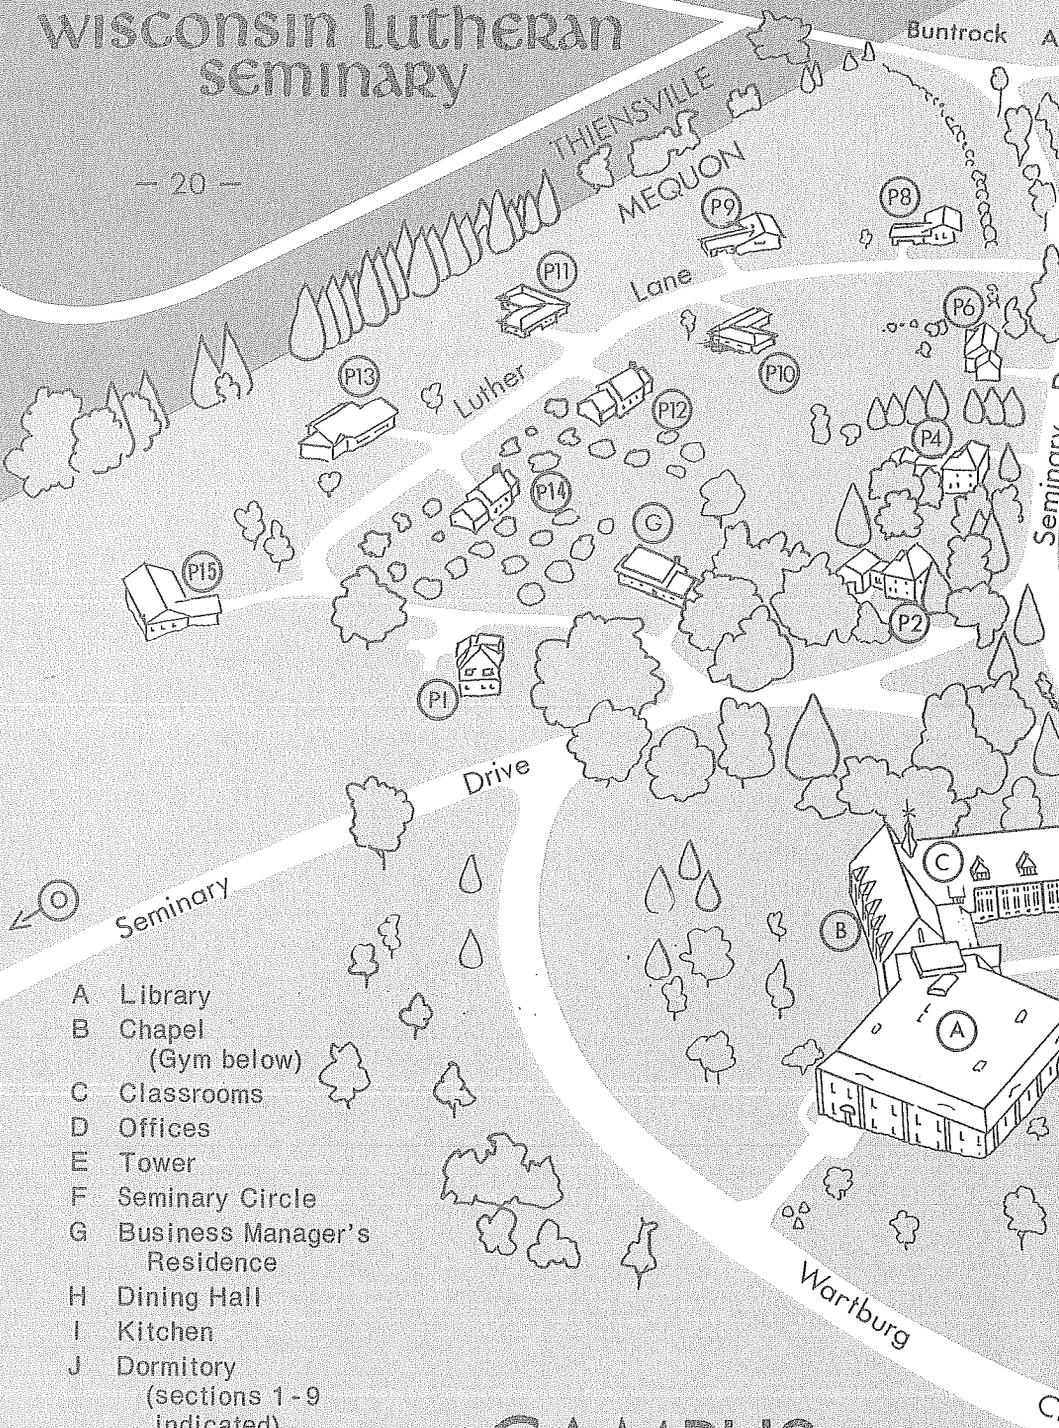

Students following the regular course of pre-seminary training provided by the Wisconsin Evangelical Lutheran Synod who contemplate marriage must seek the counsel of Northwestern College prior to their Seminary enrollment. Enrolled students in attendance, vicaring, or on leave of absence who contemplate marriage must seek the approval of the Seminary and must take note of the following:

- a. Consultation of the student with the Dean is required;
- b. The Seminary will assume no responsibility for housing and maintenance for the student and his family;
- c. The Seminary will not accept family obligations of a student as an excuse for irregularity in his studies;
- d. The Seminary must be given the assurance that the student, in case unforeseen expenses should occur, is in a position to meet them.

CURRICULUM

General Principles

All training at the Seminary is carried out in the light of the Gospel under the full authority of the Holy Scriptures as the inspired and inerrant Word of God. All teaching is carried out in conscious harmony with our Lutheran Confessions as the correct understanding of the Bible's message. As a part of this program a number of introductory courses and electives are given.

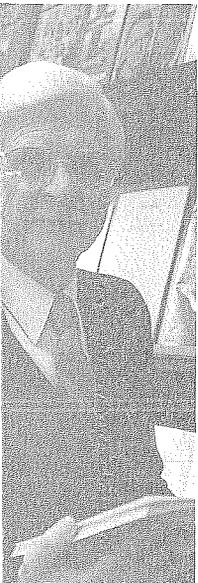

Theological Propaedeutic

In the Junior Year a survey course in Introduction to Theology and Pastoral Ministry presents a survey of the entire field of theological learning together with a bibliography, and provides directives for the manner of procedure in this study.

While an elementary knowledge of Hebrew on the part of first year students is presupposed, the basic principles of the language are reviewed in the Advanced Hebrew Grammar course. The critical Hebrew text of the *Biblia Hebraica Stuttgartensia* is used in all Old Testament work.

By way of introduction to New Testament studies a course in Hermeneutics, including the grammar of the Greek New Testament and textual criticism, is given. The study of Hermeneutics teaches the principles governing genuinely Christian interpretation of the Scriptures in their original languages. In the study of New Testament grammar an attempt is made to acquaint the student with the characteristics of Hellenistic and New Testament Greek, particularly as distinguished from classical Greek. The reason for studying textual criticism is to enable the student to use his critical text profitably. The text used in the textual criticism course is that of the United Bible Societies, although for New Testament work in general both the United Bible Societies editions and the Nestle-Aland editions are used.

To enable students to acquire a reading knowledge of the Aramaic sections of the Old Testament, a Biblical Aramaic elective is offered. The course in Theological German aims to help students increase their proficiency in reading our treasured German theological heritage.

Professor
Armin
Schuetze

A Mission Perspectives elective acquaints students with the scriptural basis for World Missions, as well as its methodology. The A-V and Computer elective treats the pastor's use of the computer and various types of audiovisual equipment in his ministry.

BIBLICAL THEOLOGY

Biblical Interpretation (Exegesis) — Thorough, intensive, and reverent study of the Holy Scriptures is the very heart of our Seminary training. No one can be a God-pleasing public witness of Christ unless with a believing heart he fully understands the whole message which our God and Savior would have us proclaim to sinful men for their salvation now and hereafter.

Certain books of the Bible are taught with special thoroughness in the courses in Biblical Interpretation (Exegesis). In this study every individual word, phrase, and sentence is thoroughly examined on the basis of the original Hebrew and Greek texts. Intensive language study during his college training has carefully prepared the Seminary student for this work. A course in the interpretation of both an Old and a New Testament book is given in each of the three Seminary years.

Biblical Introduction (Isagogics) — Those books of the Bible that are not studied in exegesis courses either at the Seminary or during the student's college years must of necessity be covered in a more cursory manner. This is done in the courses in Old and New Testament Introduction (Isagogics). Here emphasis is laid upon becoming acquainted at least with the line of thought of all the other Biblical books. The courses also cover what is known about the inspired writers and the time and circumstances of their writing. The formation of the Old and New Testament Canon is treated, as is the study of the transmission of the original text. Attention is also given to an evaluation of the historical-critical method of Bible interpretation.

HISTORICAL THEOLOGY

Church History — Courses in Church History are given during each quarter for the three years the student is at the Seminary. Entrance requirements at our Seminary include a thorough knowledge of world history. The students are then guided to note how our God and Savior has ruled in grace and judgment amidst all that has happened in world history since our Lord's Ascension to the present time. Stress is constantly laid on the point that our God has made everything serve His one great purpose of gathering His Church of believers through the Gospel from among all nations.

At the Seminary our students are guided to see how the erroneous thoughts and the sinful actions of men have been constantly at work in corrupting God's message of Law and Gospel and thus in hindering the building of Christ's Church. At the same time it becomes evident how God in His grace and might has ever raised up, and is still raising up, staunch confessors to expose human error and to restore and preserve the pure proclamation of His saving Word.

The study of Church History alerts the student to the subtle inroads of error and confirms him in a joyful appreciation of the Gospel as the one power of God unto salvation.

Lutheran Confessions (Symbolics) — Courses in the Confessions of the Lutheran Church aim to give the student a thorough understanding of their doctrinal content and to help him recognize that they do indeed present the truths of Scripture. The courses emphasize the historical background that led to the drawing up of the several confessional writings. The Importance and purpose of confessions in general are treated, as well as the meaning of confessional subscription. The Ecumenical Creeds and the Smalcald Articles are included in the courses of Northwestern College and are prerequisites for our Seminary work. Luther's Catechisms receive attention in the catechetical courses.

SYSTEMATIC THEOLOGY

Doctrines of the Lutheran Church (Dogmatics) — Courses in the doctrines of the Lutheran Church are given five times a week for Middler and Senior students. All the teachings of Holy Writ, as these are understood and set forth in our Lutheran Confessions, comprise the material for the course in Dogmatics. Here, too, the goal is that of giving the public witnesses of the Gospel a thorough

knowledge of the Holy Scriptures. All the details of the principal teachings for Christian faith and life as taught, unfolded, and illustrated throughout the Bible are gathered together in this study. The systematic and comprehensive understanding of all the truths of God's message of salvation won by such a study enables Christ's public witnesses to proclaim and apply God's Word with authoritative conviction and certainty. The textbooks used in these courses are works produced by three former Wisconsin Lutheran Seminary professors, each of whom was an outstanding teacher of Lutheran doctrine. They are: Joh. P. Meyer, *Dogmatics Notes*; Adolf Hoenecke, *Ev.-Luth. Dogmatik*; and John Schaller, *Biblical Christology*. In both Middler and Senior courses students are assigned a written paper on a doctrinal topic for each quarter.

PRACTICAL THEOLOGY

The Theory and Practice of Preaching (Homiletics) — The training for pulpit work begins in the Junior year. Three periods per week during the first quarter, two during the second and third, are devoted to studying homiletical principles, to practice in writing outlines, and to writing two sermons on texts that have been studied by the entire class. The course includes practice preaching before the class. After these sermons are reviewed by the instructor, the students are encouraged to preach them in public, but not until after Easter of their Junior year.

The course for Middlers calls for two periods per week during the first and third quarters and three during the second. Each student is required to preach two sermons before the assembled class with critique by the class and the instructor.

Sermon practice is continued through the Senior year, two periods per week. Each student is required to preach two sermons, with critique by the class and the instructor. An Old Testament text is assigned in the first quarter and a text from the Epistles in the second quarter. In the third quarter a sermon on a Gospel text is submitted in manuscript form as a final assignment. The class periods in the third quarter are used for a Homiletics clinic to discuss practical problems involved in preaching.

During the entire course the method of personal consultation between instructor and student is followed, in order to help the latter to meet the problems of text, outline, and final draft. Videotape equipment helps the student in self-evaluation and correction.

Except in cases of emergency, students are not to deliver in public any sermon which has not been passed upon by a member of the Faculty or the pastor in whose church the sermon is to be preached.

Pastoral Theology — The courses in Pastoral Theology present the Scriptural principles and the practical methods according to which a Lutheran pastor will want to lead his congregation, minister to the sick and dying, and counsel the troubled, the distressed, the tempted, and the erring. A thorough study of the Apostle Paul's Pastoral Epistles furnishes much of

the material in these courses. Special attention is paid to the vicar and his work in relation to the vicar's supervising pastor and to his further studies at the Seminary.

CHRISTIAN WORSHIP

As the church believes, so it worships. A church's worship life reflects its faith. Because it accepts the truth of this axiom, the Seminary wishes its students to have a firm foundation in the theology, history, and practice of corporate worship. To accomplish this goal three courses are offered. The first focuses on several important forms of worship — the historical liturgy, the church year and architecture — and analyzes their function. The second looks specifically at the music of worship and the pastor's role in supporting and promoting a congregation's ministry of music. The third offers opportunities for discussion of a wide range of practical worship-related topics and for the practice of worship forms used in chapel services.

After planning and conducting a service before their classmates, students are encouraged to lead the service in a congregational setting.

Christian Education (Catechetics and General Pedagogy) — For various reasons Lutheran pastors must be conversant with the principles of pedagogy and educational methodology. To assist the student in this direction the Seminary offers courses in Catechetics and Christian Education in each of the three years. In the Middler year one quarter is devoted to off-campus classroom teaching in an area Christian day school. Each Senior is required to present two catechizations, one from the Catechism, with critique from the class and the instructor.

Vicars and Student Assistants — As a part of the Seminary curriculum all students, after completing the Middler year, are obligated to a full year of training as vicars in a congregation under the supervision of the pastor in collaboration with the Seminary. Exceptions on the basis of valid grounds can be made only by joint resolution of the faculty and the Seminary Board of Control.

It is the policy of the Seminary to have its students receive their vicar assignments through the Assignment Committee of the Wisconsin Evangelical Lutheran Synod after they have been recommended for a vicarship by the faculty.

During the school year students may be engaged by congregations as part-time assistants through consultation with the Seminary President and upon his approval.

The pastors of congregations to whom Seminary vicars have been assigned by the synodical Assignment Committee are expected to complete the Seminary's vicarship report form and to return it to

the Seminary at the conclusion of the vicarship year. Reports are also required of pastors who supervise part-time assistants if that area of service is to become a part of the student's academic record at the Seminary.

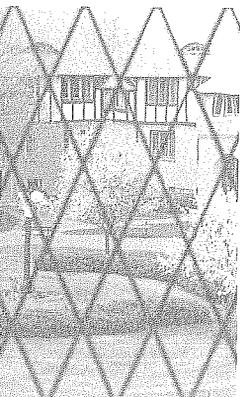

Mission Seminar — The Seminary's program of professional training also includes the Mission Seminar held annually during a week in the Epiphany season. The program is arranged and carried through by a student committee in consultation with the Executive Secretaries of the Synod's Boards for Home and World Missions.

Through student presentations, skits, panel discussions, a variety of visual aids, and addresses by the executive secretaries, the vast mission needs and mission opportunities in our own country and throughout the world are vividly brought to the attention of our future pastors. At the same time they gain acquaintance with proper practical approaches, procedures, and methods of mission work. Above all, these mission needs and opportunities are viewed in the light of the Gospel of our victorious Savior and His Great Commission to be His witnesses, even to the ends of the earth.

Summer Quarter — Each summer since 1972 the Seminary has offered summer quarters of graduate and supplementary study in an attempt to broaden its efforts to serve the Synod's ministry (see p. 3). In accordance with the stated purpose of the Seminary, summer quarter enrollment is restricted to men within our confessional fellowship.

Courses for credit leading to a Master of Sacred Theology degree are offered in all four theological branches, to a Master of Arts in Religion degree in three. These degrees require 45 quarter hours of credit; at least 21 credits must be earned in the major area, nine of which may be earned by writing a thesis. Courses given two hours a day for fifteen days earn three quarter hours of credit. Courses given one hour a day for fifteen days earn one and one half hours of credit.

The 1986 summer quarter is scheduled from June 23-July 11, 1986. Enrollees may take from one to three courses, but only one course from each of the three programs (I, II and III).

SPECIAL SERVICES

Pastors Institute

To provide further opportunity for theological and professional growth of those who are already active in the public ministry of its confessional fellowship, the Seminary conducts an annual Fall Pastors Institute. The Seminary has also arranged for pastors institutes in the outlying Districts of the Synod.

Wisconsin Lutheran Quarterly

Since 1904 the Wisconsin Evangelical Lutheran Synod has published a theological journal, originally called *Theologische Quartalschrift*, now the *Wisconsin Lutheran Quarterly*. This journal is published by the Seminary as a testimony of its theological convictions, as a public witness to the saving truths of Holy Writ, and in the interest of the theological and professional growth of those whom the Seminary is training for the public ministry and of those already active in this ministry. Each faculty member is, by his call, made a member of the Editorial Staff. The Managing Editor is appointed by the Seminary Board in consultation with the faculty.

Special Lectures

Generous gifts by interested individuals have made a "Seminary Lecture Fund" possible. The Seminary is thus able to sponsor special lectures by speakers from outside our immediate circle. To these are invited not only the faculty and student body but also the members, teachers, and pastors of the Synod's congregations.

student life

Chapel Services

Student life at Wisconsin Lutheran Seminary is a Christian life; for that reason it is but natural that the students begin the day and close it with chapel services. These services are planned by a student worship committee and are conducted by the students. Every student has the privilege of conducting at least one morning service in the Seminary chapel and an evening service, which is conducted in the dining room immediately after the evening meal. Each service includes a sermonette. These devotions focus the light of the Word on the students' spiritual needs and on their future calling. During the course of the year the morning services on major church festivals are conducted by faculty members.

To give practical expression to the Seminary's interest in the Great Commission of the church and its ministry the students bring weekly offerings during the school year for special projects in the Synod's program of missions selected by the student body.

Student Government

In view of the maturity that can be presupposed in those who are pursuing terminal training for the public ministry of the Church, the affairs of the dormitory are predominantly regulated

by the students themselves with a minimum of consultation with the Dean.

The Seminary endeavors to stimulate in the student body a sense of responsibility for carrying out its own encouragement and admonition. For consultation with the Dean the student body elects a council consisting of the student body president and representatives from each class.

Choir

Membership in the Seminary Chorus is on a voluntary basis. All choir work is under the direction of the Music Director of the faculty. Students are encouraged to avail themselves of the opportunity the choir offers for the study of our Lutheran heritage in music. The time of the two weekly rehearsals is set by the members of the choir. The choir appears in congregations by invitation from the congregations and by the consent of the choir. Choir tours are planned by the choir, with the consent of the faculty, usually every other year, in order not to interfere or conflict with the tour schedules of choirs of our other synodical institutions.

Athletics

The Seminary itself does not conduct an athletic program. The students, however, do organize themselves for competition in interscholastic and intramural sports. At present the students compete in interscholastic and intramural basketball, tennis, golf and baseball.

Student Employment

Permission to accept regular employment is granted to students, provided this employment will not interfere with their studies and is undertaken with the knowledge and approval of the faculty. The total number of work hours per week should not exceed 20. The place and the conditions of employment should be reported to the President on forms provided for this purpose. The reports are subject to his approval.

Book Store

The Book Store is a cooperative owned and operated by the student body. The supplies are offered on a minimum margin of profit, from which student managers chosen by the student body are salaried. The operations of this cooperative are audited. An annual audit of the Book Store is filed with the President of the Seminary.

*Campus Scene,
1986*

Health Program

The Seminary does not offer a special health insurance program of its own, but the students are eligible to enter in upon the Wisconsin Synod Group Hospital-Medical-Surgical Insurance Plan, as offered to the pastors and teachers of the Synod by the Synod Insurance Board. Students are free, however, to select a health insurance program of their own choice.

Sem Gems

The wives of the married students and the fiancées of students have, with the Faculty's encouragement, formed an organization called the Sem Gems. Its purpose is to promote fellowship and discussion of topics that will benefit them in their role as wives of our future pastors. Officers are elected annually; meetings are held once a month.

Registration of Student Automobiles

Ownership and operation of automobiles by students is not to be considered an unrestricted privilege. This privilege is granted with the understanding that it involves certain obligations:

- a. that student accounts (all Seminary charges as well as Book Store and student body obligations) are not permitted to fall into arrears because of ownership and operation of an automobile;
- b. that adequate insurance be carried for public liability (personal and property damage);
- c. that a \$15 fee for parking space be paid. Off-campus students commuting in a car-pool arrangement are required to pay the fee for the one parking space used.

Synodical Periodicals

We encourage all of our students to become thoroughly acquainted with the periodicals of the Wisconsin Evangelical Lutheran Synod. For all of our enrolled students subscriptions for the *Wisconsin Lutheran Quarterly* and *The Northwestern Lutheran* are included in the \$15 incidental fee. This incidental fee, paid during each of the three years a student is in residence at the Seminary, also provides him with a subscription for the *Wisconsin Lutheran Quarterly* while he is serving his vicar year. The Synod's Board for Parish Education provides each student with a gratis subscription for *The Lutheran Educator*.
